Ignorance and Uncertainty offers the conceptual framework for understanding the paradigms associated with current research. It discusses the ways in which attitudes toward ignorance and uncertainty are changing, and addresses issues previously ignored.

[Time, Ignorance, and Uncertainty in Economic Models](#)

—Michael Smithson, Department of Psychology, The Australian National University, author of Ignorance and Uncertainty: Emerging Paradigms Matthias Gross is in the business of rewriting modernity. Far from being a prescription for paralysis, not knowing becomes, in his telling, a springboard for wider participation, experimentation, and creativity.

[Ignorance and Uncertainty: Emerging Paradigms by Michael ...](#)

My major work is a book, Ignorance and Uncertainty: Emerging Paradigms (NY: Springer-Verlag, 1989), in which I've attempted to provide an overview of what seems to be the greatest creative ferment over uncertainty since the decade of 1650, when probability was invented.

[Michael Smithson](#)

Emerging from the tradition of Marshall, Knight, Keynes, and Shackle, Time, Ignorance, and Uncertainty in Economic Models is concerned with the character of formal economic analysis when the notions of logical or mechanical time and probabilistic uncertainty and the relatively complete knowledge basis it requires, are replaced, respectively, by historical time, and nonprobabilistic uncertainty and ignorance.

Ignorance and Uncertainty offers the conceptual framework for understanding the paradigms associated with current research. It discusses the ways in which attitudes toward ignorance and uncertainty are changing, and addresses issues previously ignored.

[Four things everyone should know about Ignorance ...](#)

The emerging paradigm, the paradigm through which Marcus suggests is most faithful and most revelatory, helps us see more not less and provides a way to deepen and broaden the conversation about Christianity in the 21 st century. Through such a lens, we may even see Christianity and its value as if for the first time.
