LIBRARY + ARCHIVE CATALOG With such a vast and diverse number of artifacts, the items displayed in the museum only represent 2% of the total items we have in the collection. To see the rest, we make our catalog available to view by the public. Dig deeper and discover the breadth of computing history that's preserved at Living Computers.

The Museum Archives Section newsletter is available online in the Resources section of the Canadian Heritage Information Network's website at www.chin.gc.ca. There has been a strong museum archives initiative, in the last fifteen or so years, supported by the National Historical Publications and Records Commission, and I would venture that many, if not most, sizable art museums now have an ...
