Offering an illuminating overview of this controversial and engaging subject, *Introducing Religion: Readings from the Classic Theorists* is ideal for introductory courses in religion as well as courses in method and theory of religion, world religions, and sociology, psychology, or anthropology of religion.

~~Introducing Religion: Readings from the Classic Theorists ...~~

*Introducing Religion: Readings from the Classic Theorists* presents eleven key texts from influential theorists who played a pivotal role in the modern enterprise of explaining the phenomenon of religion. These writings seek to account for the origin, function, and enduring human appeal of religion by drawing on methods of scientific scholarship unconstrained by theological creeds or confessional commitments.
