**Islandia book by Austin Tappan Wright**

The fascination of Austin Tappan Wright's "Islandia" lies partly in the way it matches our instinctive understanding of the interior richness of other people. Illustration by Jing Wei in 1931. a...

**The Forgotten Novel That Inspired Homesickness for an...**

Islandia is a classic novel of utopian fiction by Austin Tappan Wright, a University of California, Berkeley Law School Professor. Written as a hobby over a long...

**Islandia by Wright Austin Tappan - AbeBooks**

I'm going to go out on a limb and call Austin Tappan Wright's Islandia science fiction, though there is almost no science in it and, indeed, the viewpoint is antiscientific. One of the hallmarks of science fiction is the necessity of inventing everything.

**Austin Tappan Wright | Project Gutenberg Self-Publishing...**

Author Biography: Austin Tappan Wright, a Harvard-educated lawyer, was born to a distinguished family. After serving in the Boston law firm of Louis Brandeis, Wright taught at the University of California Law School (Berkeley) and the University of Pennsylvania. He died at the age of 48 in an automobile accident.
