La disfagia è una patologia che influenza negativamente la vita dei pazienti, peggiorandola qualitativamente sotto l'aspetto sia sociale sia emotivo. Porta le persone a vivere un maggior isolamento, un senso di disagio e di diversità nei confronti del prossimo, con conseguente diminuzione di autostima.

The library, for those who use it—and also for those who don't—is home, the third space open to us all. It is such a privilege to have such a responsive community institution that provides us with education and access, information and connectivity, all for free, without asking for anything in return, except perhaps that we come back whenever we want or need to.
