God created man, man created Turkey, and Turkey created cuisines for which gluttony can't be a sin. Rich and savory, not spicy particularly - the delicacies among the Turkish foods have been littering the menus of restaurants all over the world. Heritage of the Ottoman cuisine, a traditional Turkish food menu infamous for its meat-full skewers, but there is a lot more to it.

Dashi is a basic stock used in Japanese cooking which is made by boiling dried kelp (seaweed) and dried bonito (fish). Instant dashi granules are sold in conveniently-sized jars or packets and vary in strength. Add more dashi to your soup if you want a stronger stock. You can use yellow, white or red miso paste for this soup.

6. Line the cake pan with baking paper. Line the cake pan with a large piece of baking paper enough to cover the sides of the square cake pan. Brush the paper with some melted butter. Since I am using a cake pan with a detachable base, I have to wrap the exterior of the pan with aluminum foil to avoid the water from the water bath from seeping into the pan.
