

Jim Corbett Stories

Jim Corbett Stories

Edward James Corbett CIE VD was a British hunter, tracker, naturalist, and author who hunted a number of man-eating tigers and leopards in India. He held the rank of colonel in the British Indian Army and was frequently called upon by the Government of the United Provinces of Agra and Oudh, now the Indian states of Uttar Pradesh and Uttarakhand, to kill man-eating tigers and leopards that were preying on people in the nearby villages of the Kumaon-Garhwal Regions. He authored Man-Eaters of Kuma

Moving through the team's most unforgettable contests, they put a fresh spin on the stories all Pats fans love, with detail and color from the players who were there, on the field, making history.

Jim Corbett, First Edition - AbeBooks

Text by Meale Bates. Jim Corbett was a legend in his time, and remains the world's most famous hunter of man-eating tigers and leopards in the Himalayas. His remarkable story lives on in books by and about him, and in local folk tales and songs. The Champawat man-eater that reportedly killed 436 people was one of many man-eating tigers that roamed the Himalayan foothills of north India and Nepal in the early 20th century.

A Short Story : The Death of A Man Eater

James John "Jim" Corbett was an American professional boxer and a World Heavyweight Champion, best known as the only man who ever defeated the great John L. Sullivan Despite a career spanning only 20 bouts, Corbett faced the best competition his era had to offer; squaring off with a total of 9 fighters who would later be enshrined alongside him in the International Boxing Hall of Fame. Corbett introduced a truly scientific approach to boxing, in which technique triumphed over brute force, he pio

James J. Corbett - Wikipedia

The Thak man-eater was a female Bengal tiger who killed and ate four human victims between September and November 1938. She was operating in Kumaon, at the Nepalese border, between the villages Thak, Chuka, Kot Kindri and Sem. The tigress was shot at about 6:00pm on 30 November 1938 by Jim Corbett. This was the last man-eater killed by Corbett. The story about Thak man-eater is known as one of the most dramatic stories about man-eating animals. It was the last story in the USA edition of the bes

Thak man-eater - Wikipedia

He slowly disembarked from the steamer and crawled close to the sacred waters of Ganges and prayed for his death. Jim Corbett, the author of this short story, had pity on this stranger lying on the banks of the sacred Ganges. Immediately, Jim Corbett took him to an empty punkah coolies' house next to his bungalow and placed him on the bed. He identified that the sick man was infected with cholera and there was no hope for his recovery.

Jim Corbett National Park is the oldest national park in India and was established in 1936 as Hailey National Park to protect the endangered Bengal tiger. It is located in Nainital district and Pauri Garhwal district of Uttarakhand and was named after Jim Corbett, a well known hunter and naturalist. The park was the first to come under the Project Tiger initiative. The park has sub-Himalayan belt geographical and ecological characteristics. An ecotourism destination, it contains 488 different sp

Jim Corbett National Park - Wikipedia

Jim Corbett was every inch a hero, something like a "sahib" Davy Crockett: expert in the ways of the jungle, fearless in the pursuit of man-eating big cats, and above all a crack shot. Brought up on a hill-station in north-west India, he killed his first leopard before he was nine and went on to achieve a legendary reputation as a hunter.

Man-Eaters of Kumaon is a 1944 book written by hunter-naturalist Jim Corbett. It details the experiences that Corbett had in the Kumaon region of India from the 1900s to the 1930s, while hunting man-eating Bengal tigers and Indian leopards. One tiger, for example, was responsible for over 400 human deaths.
