Joshua: A Brooklyn Tale
views four decades
through three lives.

Andrew Kane's novel is
a love story about
loneliness, a reflection
on the value of
community that
acknowledges that it
takes a village to raise
a mob, a tale of public
dysfunction and
personal demons, and
an image of the frail
beauty of humanity
that somehow
survives.

Joshua: A Brooklyn Tale was an interesting story with lots of potential. Perhaps it was too ambitious. The author brings nothing original to the way he tells this story that wasn't well written.
