We visiting Xi'an in September 2017 and Lee was our guide for our family for one day and took us to Banpo Museum and the Terracotta Warriors. Lee was very genuine and enthusiastic, and his love for Xi'an and showing tourists around really showed through. Lee paid particular attention to involving the kids and helping them understand some of the history.

The button prompts don't really change the strategy guide for this game. The Steam version of the game is same as the PS4 version of the game. The same engine (Unreal Engine), just with the language switched to English, spoken dialog added (it didn't exist in the Japan version), and some options added so it supports Steam.
