~~Amazon.com: Kant's Construction of Nature: A Reading of ...~~

Kant's Metaphysical Foundations of Natural Science is one of the most difficult but also most important of Kant's works. Published in 1786 between the first (1781) and second (1787) editions of the Critique of Pure Reason, the Metaphysical Foundations occupies a central place in the development of Kant's philosophy, but has so far attracted ...

~~Kant: Metaphysical Foundations of Natural Science ...~~

Kant's aim is to secure the subjective ideas while enforcing their subjective status, and thereby defusing the metaphysics that attends to them. Thus, Kant's criticism of metaphysics simultaneously involves denying the pure use of theoretical reason as an instrument for knowledge of transcendent objects, and defending reason's ideas as ...

~~Kant: Metaphysical Foundations of Natural Science | Kant ...~~

Kant's Metaphysical Foundations of Natural Science is one of the most difficult but also most important of Kant's works. Published in 1786 between the first and second editions of the Critique of Pure Reason, the Metaphysical Foundations occupies a central place in the development of Kant's philosophy, but has so far attracted relatively little attention compared with other works of Kant's critical period.

~~Metaphysical Foundations of Natural Science by Immanuel Kant~~

Kant, Michael Friedman Immanuel Kant was actively concerned with issues in the philosophy of natural science throughout his career. The Metaphysical Foundations of Natural Science presents his most mature reflections on these themes in the context of both his critical philosophy, presented in the Critique of Pure Reason, and the natural science of his time.

Selection from Kant's Metaphysical Foundations of Natural Science. PREFACE. If the word "nature" is taken merely in its formal signification (inasmuch as the word "nature" signifies the primal, internal principle of everything that belongs to the existence of a things), then there can be as many natural sciences as there are specifically different things, and each of these things must ...
