Heres my problem i was driving my kia pregio van diesel 2 ...

So here's the problem. I was driving my Kia Pregio Van and it started to rev uncontrollably and wouldn't shut down. It appears that the sump has fuel in it and is overfilled. I spoke to a diesel mechanic and he says there is some sort of blowby from the intake. The van still starts and runs with decent compression but needs to be repaired.

More power in Kia Pregio van - FAQ | CarsGuide

Some history about this van: What Kia did with the Pregio is they licensed the technology for the drivetrain (engine, transmission) from Mitsubishi. So while the engine has a Kia stamp on it, it's actually a Mitsubishi diesel engine from the 80s! It produces 81hp so it's slow, but it has a lot of torque to pull you up the hills.

kia diesel problems - Tsikot Forums

It is essential for drivers to have a service manual which allows them to identify and cure any problems as soon as they appear. A good repair guide for a vehicle can save you literally thousands in the long run, so it is worth having. Where Can I Find A Kia Service Manual? Kia service manuals are readily downloadable from this site for no cost.
