Level 4: Virus Hunters of the CDC is their story. It is an intense, personal account of more than a quarter of a century on the front lines—in the ultra high-tech "hot zone" lab that McCormick was instrumental in creating at the Centers for Disease Control in Atlanta, as well as in the most primitive places on the planet, where the local climate, terrain, and politics can kill as easily as any disease.

Level 4 is as high as it goes, or perhaps better stated, Level 4 is where the most lethal, dangerous, and exotic agents are worked with. These Doctors however, will work with these same agents in a tent, or in the open, in the most primitive conditions where the tiniest of errors could mean their death.
