Life and Death | What  
Bahá'ís Believe

Is death the end of  
man's existence, or will  
we be raised from the  
dead to face judgment  
and eternal rewards of  
heaven or hell? The  
materialist denies life  
after death.

notes that all people are descended from a single person, thus taking a single life is like destroying an entire world, and saving a single life is like saving an entire world. Of the 613 commandments, only the prohibitions against murder, idolatry, incest and adultery are so important that they cannot be violated to save a life.

Afterlife - Heaven -

Paradise...

The Bible tells us that there is not only life after death, but eternal life so glorious that “no eye has seen, no ear has heard, and no mind has imagined what God has prepared for those who love him” (1 Corinthians 2:9).
