Menu Math for 4th & 5th Graders - The Curriculum Corner 4-5-6
I look at my old extension menus now and think, gosh there are maybe two seeds of good ideas. But the rest? It's all just filler. I created a buffet-style experience for my students. Nothing was particularly great, but there sure was a lot of it! Imagine if I had, instead, used that time to take my best idea and flesh it out. Add scaffolds.
