EAL/D students learn explicitly about language functions throughout the stages of producing a multimodal text (pre-production, production and post-production). The teaching and learning cycle can be used to develop knowledge of the content, vocabulary, language features and text structure required to create multimodal texts.

L2 reading and reading-while-listening in multimodal ...

Vocabulary is considered as the brick of English language (Wu fei, 2012). Traditional approaches of vocabulary teaching lay stress on grammar instead of meanings. David Paul (2003:25) summarizes several problems emerging from English teaching in the book Teaching English to Children in Asia. First, class activities appear to be monotonous.
