## **My Son And The Afterlife**

“My Son and the Afterlife by Elisa Medhus, MD is a book that will tug at your heart strings, make you laugh, cry, and more importantly, consider possibilities that you had probably never thought about before. This book, a record of the author’s conversations with her recently deceased son, Erik, is as real, authentic, and straightforward as it gets. Dr. Medhus and her son Erik, are both in a state of flux struggling to make sense of new perspectives that were thrust upon them as a result ...

## **My Son and the Afterlife: Conversations from the Other ...**

In My Son and the Afterlife, answers are finally revealed.

Through a series of conversations, Erik reveals a compendium of new knowledge on the nature of death and afterlife, the abilities and activities of the soul, and the powerful experience that love knows no boundaries—not even death. ...more.

## **My Son and the Afterlife: Conversations from the Other ...**

After the death of her twenty-year-old son Erik, Dr. Medhus began journaling her grief in her blog ChannelingErik.com and wrote the successful book My Son and the Afterlife. She lives in Houston, Texas.

## **My Son and the Afterlife: Conversations from the Other ...**

My Son and the Afterlife is a book of hope, not of sadness. It's the hope that we are eternal beings. It's the hope that the loved ones that we've "lost" aren't really gone and that our

On October 6, 2009, my 20-year-old son Erik, took his own life. Since that sad and tragic day, an overwhelming sense of grief and despair propelled me into a search for answers. Answers that would provide me and others with comfort and hope. Some of those answers came from the many books I bought, but...

### **Home | Channeling Erik®**

There are much better books like "Letters From A Living Dead Man" that relay the existence of an afterlife in better terms. They both agree on many of the same between life themes, but "Letters From A Living Dead Man" is entertainingly delicious instead of mushy and overcooked like "My Son And The Afterlife" is. What is brilliant about "Letters
