The book *MythBusters: The Explosive Truth Behind 30 of the Most Perplexing Urban Legends of All Time* (ISBN 1-4169-0929-X) also gives a list of a dozen myths that are unlikely to be explored (although four were eventually tested). Savage has commented that it is difficult to test myths that require them to disprove general claims because of the inherent difficulty in disproving a negative.

MythBusters - Wikipedia

The *MythBusters* aim to uncover the truth behind popular myths and legends, mixing scientific method with gleeful curiosity and plain old-fashioned ingenuity to create their own signature style of explosive experimentation.
