National Health Insurance (国民健康保険, Kokumin-Kenkō-Hoken) is one of the two major statutory types of insurance programs available in Japan. The other is Employees' Health Insurance (健康保険, Kenkō-Hoken).

ngah-ngic.com

National health insurance is a way of pooling health risks together, thereby minimizing the fees accruing to the people that are the most sick. Think of it this way: sick people are most in need of health insurance, yet insurance companies have the least incentive to provide health insurance to those people at an affordable rate.
