Page curls - free Photoshop actions

In this Photoshop tutorial, you can add a page curl effect or page turn effect to your photos. The main tool to add this effect is the Free Transform and Warp tool.

---

Photoshopgurus Photoshop Tutorials - Paper Curl Tutorial ...

For the page curl effect to work we need to create an "underside" to the paper. Press D to reset the colours to default (Black/White). Then select the Gradient Tool. Make sure you have Foreground to Background as the picked gradient and Linear as the type of gradient. Now drag a gradient across the selection so the black colour touches the edge of the image.
