Simplified Employee Pension (SEP)

A pension is a way to save for retirement. Like most retirement plans, there are tax benefits to pension plans. Once you retire from work, your pension will pay you on a regular schedule for the remainder of your life. Due to changes in 2006, pensions are more flexible and straightforward than they have been in the past.

Pensions & You: A Simplified View of the UK Pension System ...

If you must use the Simplified Method, complete the Simplified Method Worksheet in these instructions to figure the taxable part of your pension or annuity. For more details on the Simplified Method, see Pub. 575 (or Pub. 721 for U.S. Civil Service retirement benefits).

2018 Form 1040—Lines 4a and 4b Keep for Your Records

A simplified employee pension plan (SEP) is a special type of individual retirement account (IRA) that you can establish by your employer (or you, if you're self-employed). Because of the ease of administration, many small businesses and organizations with few employees offer SEPs to their employees.

Pension Plans | Lawyers.com

The Taxable Portion of Your Pensions and Annuities. Partly taxable pensions are taxed under either the General Rule or the Simplified Method. You must use the General Rule if your annuity or pension payments began on or before November 18, 1996. If your pension or annuity payments began after this date, you can use the Simplified Method to calculate your taxable portion.
