Philosophy And Practice Of Chiropractic

A traditional straight chiropractor may or may not use ancillary methods depending on their philosophy, training, and scope of practice. Keating, Joseph C. (2004) Scopes of Purpose, Scopes of Practice: Distinguishing Among Evidence-Based Practice, Traditional Straight Chiropractic, and "Super-Straight" Ideologies.

PHILOSOPHY AND SCIENCE VERSUS DOGMATISM - Chiro

Chiropractic is a science, art and philosophy. The philosophy of chiropractic is built upon the constructs of vitalism, holism, conservatism, naturalism and rationalism. It provides context for the application of science and art. Health is a state of optimal physical, emotional and social well-being. Central to the philosophy of chiropractic is ...

Canadian chiropractors' attitudes towards chiropractic ...

To say or think that the science, art and philosophy of Chiropractic, or that Chiropractic, the three combined, has a religion, is really absurd and ridiculous". [32] The 2008 book Trick or Treatment states that in 1913 B.J. Palmer ran over his father, D.D. Palmer, at a homecoming parade for the Palmer School of Chiropractic.

A liberal chiropractic philosophy adheres to traditional chiropractic philosophy (offered either by D.D. or B.J. Palmer) and is associated with a broad scope of practice which includes the treatment of non-musculoskeletal conditions. Liberal-minded respondents are more likely to identify chiropractic as an alternate form of health care.
