With civil war still raging in 1216, the nine-year-old Henry and his guardian, William Marshal, reissued Magna Carta in the hope of winning over disgruntled barons to help push the French Prince Louis out of England. Henry implemented further reissues in 1217 and 1225, which cemented the principles of Magna Carta in English law and society.

While we're looking at the first Magna Carta (written in 1215), that was really only version 1.0. There are many similarities, and some glaring differences, in the later editions. For example: it turns out that King John wasn't the only monarch to be a bit offended by that whole "twenty-five angry ...
