Blood Borders: A Proposal To Redraw A **—Brilliant Maps**
In June 2006, Armed Forces Journal published this map (below) from Ralph Peters, a prominent pro-war strategist. It shows the method to the madness -- creating ethnic tension and civil war in order to redraw the boundaries.

Robin Wright’s Audacious Remapping of the Middle East
These excerpts are from Ralph Peters’ article “Blood Borders” published in 2006 in the US Armed Forces Journal. If you think it is proving to be a [...] The rise of ISIS in Iraq is a neocon’s dream [1 of 2] says: ... Peters’ “Blood borders” map On Sept. 29, veteran foreign-affairs reporter Robin Wri... Hybrid vs. compound war Over ...

Ralph Peters—GeoCurrents
Ralph Peters (born April 19, 1952) is a retired United States Army lieutenant colonel and author. Peters appeared frequently as an analyst on Fox News until March 2018 when he resigned, calling the network a "propaganda machine" for the Trump administration and accused the network of "wittingly harming our system of government for profit."

How plausible is Ralph Peters’ map of a ‘new Middle East **—**
Blood borders How a better Middle East would look By Ralph Peters*. Armed Forces Journal | June 2006 International borders are never completely just. But the degree of injustice they inflict upon those whom frontiers force together or separate makes an enormous difference — often the difference between freedom and oppression, tolerance and atrocity, the rule of law and terrorism, or even ...

Ralph Peters, MD 1908 Glen Springs Dr Fremont, OH Doctors **—**
I was taken aback this past Sunday (September 29) by Robin Wright’s colorful map of a politically re-divided Middle East in the New York Times, which illustrated her article “Imagining a Remapped Middle East.” The map, entitled “How 5 Could Become 14,” shows a hypothetical future division of Libya, Iraq, Syria, Yemen, and Saudi Arabia into 14 potential new countries along with two ...

Ralph Peters—Wikipedia
Katherine McIntire Peters. Ralph Peters is a retired Army lieutenant colonel and former enlisted man, a controversial strategist and veteran of the intelligence world; a bestselling, prize-winning novelist; a journalist who has covered multiple conflicts and appears frequently in the broadcast media; and a lifelong traveler with experience in over seventy countries on six continents.

Armed Forces Journal—Peters’ “Blood borders” map
Map created by Ralph Peters and originally published in the Armed Forces Journal, via wikimedia. The map above is a 2006 proposed plan to redrawn the borders of the Middle East by Ralph Peters, a retired United States Army lieutenant colonel, author, and Fox News commentator.

The Ralph Peters Map: NATO’s Plan for Redrawing the **—**
Generally I try to be a bit more diplomatic in my language, but I'm going to be candid about this one: Ralph Peters' 'blood borders' map needs to die. It shows a distinct lack of understanding about the Middle East and its history - both in specific facts and in the motifs that symbolize wider historical trends.

Blood borders: How a better Middle East would look? By **—**
In 2006, Armed Forces Journal published a short, map-illustrated article by retired U.S. Army Lieutenant Colonel, novelist, and pundit Ralph Peters. In “Blood Borders: How a Better Middle East Would Look,” Peters argued that “unjust borders” drawn by “self-interested Europeans” were generating many of the Middle East’s problems.

The map of a new Middle East, by Ralph Peters from the US **—**
What a bizarre fantasy, where Turkey, NATO member and G-20 country with 75 million people and compulsory military service, relinquishes substantial territory; Azerbaijan, ally and close relative of Turkey, is able to re-conquer lost territory fro...
