Religion Politics And Social Change A Theoretical Framework

Religion Politics And Social Change

This book explores the relationships of religion to political and social change. It is the second in a four-volume series examining the interaction of politics and religion around the world. In this volume, renowned scholars address such topics as the role of the Catholic church in the redemocratization of Brazil, the Hindu-Muslim conflict in India, Mormon assimilation and politics, and alternative views of Zionism.

Nihil Obstat: Religion, Politics, and Social Change in ...

Neo-Marxists and the Social Action
theorist Max Weber have argued that
religion can be a force for social change.
There are wide variety of opinions with
Feminist thought as to the relationship
between religion and social change.
Some Feminists tend to side with the
view that religion prevents social
change. Other Feminists recognise the
potential for religion to bring about
social change.
