Pets are cool, some are cute, some not so much. Choosing a pet for some is about the cuteness factor. Other people may choose a pet based on the family. Others like myself choose the abilities first and then look for the pet that has those abilities. Having a pet with the right abilities can help you survive longer and play better.

Pet Maxing Guide When pets were granted abilities in Release 12, the game fundamentally changed. Now the acquisition of a good pet is all but crucial for success in RotMG, as they are permanent and can provide major boosts to any character. They may be improved either with Fame or Realm Gold by feeding them items with feed power.

Savage is supposed to make your pet lunge towards enemies occasionally. This can be slightly useful if you're trying to get your pet to paralyze something, but can't seem to get close enough to it. Rising Fury is a damage ability that will charge up while the pet is standing still and release a grenade-like blast when the pet moves.
