### *Saeco Talea Giro Plus Coffee Machine Repair Service Tips*

The Talea Giro shows a lot of functional improvements over my 1997 Saeco machine. It makes better coffee, yet I don't believe it will be nearly as reliable and it is positively loaded with clumsy, annoying misfeatures.

### *Saeco Talea Giro spare parts - Coffee Machine Parts*

The Talea Giro takes care of the grinding, dosing, tamping and brewing, but allows for personal taste in the programming of coffee size, strength and temperature. The Talea Giro offers the patented technology of the Saeco Brew System--turn the dial either right or left and change the strength and

*Saeco Talea Parts and Accessories - Encompass*

Regarding: Saeco Talea Giro Plus We've owned the product for about 8 years, it's been great. I'm having intermittent power issues for the past 8 months, maybe a year now. Sometimes the machine resets and/or powers off during the water prime, sometimes at the initial start of the bean grind and then just stops and resets.
