How to Import Snagit Quick Styles - groovyPost

Limited Budget, Limited Time, Need It Now... While working on a 4-week contract to produce documents for a new technology roll-out, someone from another group approached me with a ten page Word document with numbered steps, very large screen shots and large text. The screen shots were grabbed by the programmer who had numbered them...

10 Ways to Make Better Visuals for Your Technical Guide ...

These are generally paired up with a screen grabbing tool like the snipping tool or Snagit. This is a bad route forward though. Why? might be the next question. Well, the answer is that these tools are inefficient and take too long. Most Quick Reference Guides take an hour or two to construct using inefficient toolsets.
