Section 1: Sports Betting as an Investment Making Money by Betting on Sports. Most people think that sports betting is about finding 'sure things,' but in reality such 'locks' are nothing more than gamblers' fancy. Just as in real estate, currency, stocks, or any other speculative market, 'sure things' simply do not exist.

Sports Investing Profiting From Point

Sports Investing: Profiting from Point Spreads introduces strategies and tactics that turn the sports betting market into a more businesslike activity. We prefer the term sports investor instead of sports bettor because we take a professional view of the sports marketplace.

Sports Investing - A Professional View - YouTube

I have been sports "investing" for over 20 years. I ran a professional handicapping service for over 10 years with a group of very highly-skilled cappers, each of us with our own specialties in various sports (NBA, WNBA, NFL, CFB, CBB, and of course Soccer).

Sports Investing: Profiting from Point Spreads: Finding ...

Sports Investing: Profiting from Point Spreads. In terms of biggest payout for a single game bet, nothing maximizes your wager with the largest possible payout than a play on the point spread of a game.

Sports Betting as an Investment - Dr. Bob Sports

I can't believe it's been 13 years I've been a member of Platinum Sports investing Club! You are constantly improving your methods and I'm thrilled to have been here to see the growth and success. Sports have been great, but when you invited me to be a tester of your re-launch of horse racing profits, I didn't know what to think.

3 Sports Gambling Stocks to Bet the House On | *InvestorPlace*

Selectivity & Sports Investing. However, as with other zero-sum games (and the sportsbook's vig makes sports investing even tougher than zero-sum), only a small percentage of players are materially successful. It's nice thinking about the potential gains - but it's better to be conservative and think of the potential risks.
