school to college. These tips are paraphrased from interviews of Mentors, Scholars, and Ambassadors in DO-IT (Disabilities, Opportunities, Internetworking, and Technology) programs at the University of Washington.

---

Study Skills: A Pupil's Survival Guide - Christine Ostler ... survival skills include the student's ability to study effectively, be organized, and manage time well. When academic survival skills are described in global terms, though, it can be difficult to define them. For example, two teachers may have different understandings about what the term 'study skills' means. A solution is to complete a

(for students, by students)

Knowing how you learn best is the first step in developing effective study habits. Every student approaches the task of learning differently. Every student has a unique and personal learning style or a preferred channel through which learning comes more easily. Ask yourself the following: Am I more inclined to remember something better when
