*Sustainable Community: Creating A Durable Economy*. By Bruce Seifer, [www.community-wealth.org](http://www.community-wealth.org). ... Ultimately, capital is only fungible if your sector is in a rough long term balance, preferably with sustainable enterprise. Cooperative enterprise generally helps to keep that balance healthy.

*Sustainable-communities--creating-a-durable-local-economy ...*

When we introduced the topic of social sustainability for our recent #CityTalk with the Berkeley Group and Social Life, we knew that we had a challenge on our hands trying to define that which "many a thesis has tried and failed to define". It was clear that we needed to put many more brains together to begin to wrap our minds around ways to build and design socially sustainable communities.
