Woodward Governor & Actuator GP With over a century of mechanical governor experience, it's no wonder that Woodward is the preeminent name among governor manufacturers. Our governors hold an extensive pedigree that dates back to 1870, starting with the enhanced waterwheel governor invented by our founder, Amos Woodward.

Woodward Governor & Actuator GP | #Numeralkod

As I push on with my project...it's time to start thinking seriously about putting the rack on the new subframe that it just about ready to weld up. When I started this project, I had to relocate the steering rack down to make room for the engine. This meant that I needed a custom steering rack - it's short, so I contacted Woodward (4 years ago) and they made me the rack.
