### The art of inquiry | SmartBrief

The Art of Inquiry applies to learning more about ideas, interests and concerns of your colleagues, customers, competitors and vendors. Curiosity leads to questions, and questions are how we bring the Art of Inquiry to life. So why not refer to this leadership practice as the art of questioning? Inquiry is more than asking good questions.

### The Art of Inquiry - Dave Coffaro

The Art of inquiry. The Art of inquiry is my collection of (often contrarian) thoughts on project management and performance improvement efforts in business and education. I'm a process guy, (some would say process Evangelist) and specifically a disciple of Lean and Agile methods. AND, I'm a contrarian.

### Home - The Art of Inquiry

The art of inquiry is at the heart of effective leadership as it enables leaders to remain curious and unlock the ideas, perspectives and strengths of those they are seeking to inspire and influence. Without engaging people in genuine two-way conversation, leaders run the risk of paying attention only to their own thoughts and perspectives.
