Papercutting - Wikipedia

Jewish paper cutting is a traditional form of Jewish folk art made by cutting figures and sentences in paper or parchment. It is connected with various customs and ceremonies, and associated with holidays and family life. Paper cuts often decorated ketubbot (marriage contracts), Mizrahs, and ornaments for festive occasions. Paper cutting was practiced by Jewish communities in both Eastern Europe ...

The Book of Paper Cutting: A Complete Guide to All the ...

This book goes over the history of paper cutting by hand, some different types and then has lots of examples as well as some instructions on how to cut some yourself. This is probably a good book for someone who is super serious enough to want the history along with the how to, but I was just looking for templates of cute designs.
