Guess what, I became a Closer. In March / April 2015 I was hired as Director of Operations of a Nationwide Home Improvement company. In October 2015, I quit to start another company with a partner. The bottom line is I owe what I've accomplished to God and The Closer's Survival Guide. Like Ben Gay's THE CLOSERS, there is not junk or fluff.

What did you like best about The
Closer's Survival Guide - Third Edition?
What did you like least? In the audio
version the author references all of his
great closing techniques, but there are
few discussed in the audio version. He
then references his written book for the
closing techniques. Nice bait and switch
sales pro.

What did you like most about The Closer's Survival Guide - Third Edition? Wow what a book. This book completely opened my eyes to the little discussed but crucial life and business skill, how to close. This book really showed me the huge benefits from closing and more crucially how I could learn the skill myself.

- The Closer's Survival Guide, page ix
This is the third book I have read by international sales training and business coach Grant Cardone. The Closer's Survival Guide differs from Grant's other books (The 10x Rule , Sell or Be Sold , and If You Are Not First, You're Last), in that it is broken down into two parts: the theory of closing and a compilation of different closes and how to manage objections.
