Furniture styles can be determined by careful study and remembering what design elements each one embraces. To help understand what defines each period, here are some of the major design elements for each period. William and Mary, 1690-1730: The style is named for the English King William of Orange ...

*Early American Furniture and Other American Styles*

Find the period to which the antique chair belongs by evaluating its shape and comparing it to a chart or guide in a book or online. Each antique style has specific identifying features, often named after the reigning monarch of the time, or for the designer who created the style, such as Thomas Chippendale, Thomas Sheraton or George Hepplewhite.
