The Mended Heart. Most notable was Christiaan Barnard who completed a surgical residency at the University from 1956-1958. After completing his PhD, Barnard returned to his home country of South Africa where he performed that country's first open heart surgery in 1958. Barnard later performed the first successful heart transplant in the world on December 3, 1967.

~~The Mended Heart: God's Healing for Your Broken Places ...~~

The Mended Heart addresses the key topics of brokenness and healing in women. Part one is brief and speaks to readers who've been trying to work towards healing and it's not happened. The chapter ends with the encouragement to "peel away those layers;" the layers of the broken shell, allowing God to heal tender wounds.

move with you. Author Bio Suzanne (Suzie) Eller is the ECPA bestselling author of The Mended Heart and a popular blogger (www.tsuzanneeller.com).

~~Mended Hearts~~

The Mended Heart is one of those books that no matter how many times you read it there will always be something that will be of value because as God peels back the layers, as doors are opened to have rooms exposed to His Loving Kindness and healing, there will always be another layer or another door that needs cleaning.

~~Mended Heart: God'S Healing For Your Broken Places ...~~

The Mended Heart is a deeply moving collection of poetry that captures the raw emotions of grief and loss. But Milner points to the Source of healing and reminds us of God's love and compassion for us when we grieve— and how He desires to come along side to comfort and heal.

~~The Mended Heart — Suzanne Eller~~

The Mended Heart: A Poet's Journey through Love, Suffering, and Hope was a unique collection, one unlike the others I have seen and read. As a teacher, I cover prose, poetry, and photography, so I am looking forward to adding some of the content from Milner's book into my Creative Writing curriculum for my high school students.
