The story follows sixteen-year-old Clara as she discovers shimmering, iridescent scales on her sister, Maren. Her sister is becoming a mermaid. Terrified by the implications—no mermaid can live apart from the sea—Clara sets out on a journey to save Maren. During her travels, she soon realizes: If her sister is a mermaid, then what is she?

The Mermaid's Sister begins in the mountains where Auntie cares for her two charges, Clara and Maren. According to the tale, both girls arrived almost simultaneously, one via the stork, and the other in a conch shell. They have grown up as sisters and love each and Auntie as much as any family could.
