Bearing in mind the subjective nature of sex, the book explores cultural concerns around sexualisation, pornography, and sex addiction, as well as drawing on research from sexual communities and the applied area of sex therapy.

~~The Psychology Of Sex: Why It's Impossible To Get Over ...~~

Sex is a strategy we use to meet our psychological needs and not a need itself. People develop neuroses, addictions, and even delusions to get their needs met. Research shows that social isolation is more harmful than alcoholism or smoking. 5 Depression and stress are related with all sorts of terrible physical issues.

The Psychology Of Sex: Why It's Impossible To Get Over Your 'Best'. As the show's protagonist, Carrie is painted as an independent woman who writes down her feelings for a living, and through this, does her best to logically navigate her mind. But, despite Carrie's attempts to see men and relationships objectively, emotion always triumphs -- especially when it comes to Mr. Big.

~~The Psychology of Sex: 1st Edition (Paperback)—Routledge~~

Studies in the Psychology of Sex: Volume 7 is a book published in 1928 by the English physician and writer Havelock Ellis (1859–1939). Ellis was an expert of human sexuality but was impotent until the age of 60 and married to an open lesbian for much of his life. He later discovered that he could be aroused by the sight of a woman urinating.
