The Raging Fires is the third book in T. A. Barron's Merlin series.

This is a good book, though it is a short read. I would recommend it to tweens and younger teens. It may get boring to older teens. Barron did a good job introducing new and unique characters in different ways. The ending is nice and concludes the book well.

Young Merlin finds himself up against an angry dragon in this the third book in the Lost Years of Merlin five book series. As in the other books, the twists and turns of Merlin's outward journey parallel the challenges he feels inwardly as well. That's why I love to recommend these books. You can find adventure in many fantasy stories these days.
