Cask Curriculum: Rethinking Rum - The Scotch Malt Whisky ...

FAQ. Why does the SMWS only identify scotches by number? There are two answers to this question - the old answer and the modern answer. The old answer is that this is/was a part of their agreement with each distillery - they agrees to not overtly identify the source distillery (though their descriptions sometimes give strong hints at who it is). People began keeping lists of which distillery ...

Scotch Malt Whisky Society (SMWS) Bottle Codes Explained ...

From the dark corner of an old dunnage warehouse came aromas of baked bananas and stewed apples covered in vanilla ice cream and mild honey. Fresh notes of cut grass and New Zealand sauvignon blanc danced around melon and pineapple chunks while oily elements of linseed joined polished wood. The tongue tingled with pepper, chilli and ginger, however through the spice came molasses, toffee and ...
