Marina Endicott has skillfully used the writing tools of historical fiction to turn a real event into a vibrant narrative of two voyages from Canada to the South Seas. Endicott profusely describes incidents during the long journeys, the flora and fauna, sea creatures, life on the remote islands, and the hardships of the seafarers.

A Voyage Long and Strange. Written by Tony Horwitz Review by Edward James. This is a travelogue rather than a history book, written by a journalist, not an historian. The Voyage Long and Strange is a reference to Columbus's first voyage, but it applies equally to the author's journey as he follows the footsteps of the early explorers of North America, starting with the Vikings and ending ...
