The Shadow is the name of a collection of serialized dramas, originally in 1930s pulp novels, and then in a wide variety of media. Its title character has been featured on the radio, in a long-running pulp magazine series, in American comic books, comic strips, television, serials, video games, and at least five feature films.

The Way of Shadows is the first book in the Night Angel Trilogy and I have to say, I can't wait until I get the chance to read the next two in the series.

Personally, the book felt a lot like Feist's Magician Apprentice/Master books but a lot darker and grittier. Which since the book is about an assassin that should be
