including white cats.

Pure white cats are fairly rare in the general cat population, as they require a gene that hides every other possible coat color and pattern in a cat's genetic makeup.

These cats can have short or long coats and be a single breed or a mix.

### Indications a Cat Is

Dying of Old Age It is not so much old age, but more typically the complications associated with failing organ systems, that kill a cat. These types of diseases are more common during the feline geriatric years. The symptoms of aging and death are similar.
