This is BREAKTHROUGH: Telling our story to the world
In the World Café process, people generally move from table to table. But it's much more than physical movement. As we move, we leave behind our roles, our preconceptions, our certainty. Each time we move to a new table, we lose more of ourselves and become bigger—we now represent a conversation that happened among several people.

through which we already collectively shape the future, often in unintended ways.

Editions of The World Cafe: Shaping Our Futures Through ...

The World Cafe refers to both a vision and a method of dialogue. It evolved out of conversations and experimentation one day at the home of consultants Juanita Brown and David Isaacs. World Café Conversations are an intentional way to create a living network of conversation around questions that matter.

Book Images :: The World Cafe
World Cafe. The core design philosophy of a World Café session is that people possess an intrinsic ability and insights to address issues of decision-making or planning effectively, and that natural conversation is one of the best options for eliciting such dialogue. As participants rotate between tables over the course of a session,...
