Responsible for designing Skull Island and its fantastical inhabitants for Peter Jackson's epic King Kong, the artists at Weta Workshop have created a rich and diverse world of wonders and terrors to thrill audiences everywhere. Hundreds of drawings and sculptures were created to populate the mystery island, building a comprehensive menagerie with complex ecosystems and forbidding habitats.

THE WORLD OF KONG: A Natural History of Skull Island It was an uncharted island somewhere off the coast of Sumatra, it was a land whispered about by merchants and sailors. It was a place so unbelievable that no one dared believe in its existence. Except one man, the extraordinary showman Carl Denham.

The World of Kong: A Natural History of Skull Island is a book created in 2005 by Weta Workshop as a field guide of the Skull Island wildlife presented in the movie King Kong, exposing in great detail the diversity of organisms inhabiting the lost island. Despite of the possible evolutionary inaccuracies that the fauna of the book can possess this book stands out for the detailed descriptions and illustrations in its attempt to expose the fictitious fauna

THE WORLD OF KONG is, therefore, the sole remaining record of the unbelievable creatures which populated Skull Island. Created by the artists at Weta Studios, THE WORLD OF KONG includes written text, describing the geology, biology, and ecology of the island, and a stunning array of color illustrations of the various animals and their settings. Most of these creatures were not seen in the movie, but are presented here in their full glory (or horror).

The King of Kong: A Fistful of Quarters is a 2007 American documentary film about competitive arcade gaming directed by Seth Gordon. It follows Steve Wiebe in his attempts to take the high score record for the 1981 arcade game Donkey Kong from Billy Mitchell.

### **The King of Kong - Wikipedia**

Storyline. In the early 1980s, legendary Billy Mitchell set a Donkey Kong record that stood for almost 25 years. This documentary follows the assault on the record by Steve Wiebe, an earnest teacher from Washington who took up the game while unemployed. The top scores are monitored by a cadre of players and fans associated with Walter Day, an Iowan who runs Funspot, an annual tournament.
