IEC 60601-1-2 4th Edition: What You Need to Know | CUI Inc

Actually, I read it twice, since I had it a week before class began I read through it and then read it chapter by chapter as we went through the class. If I have any complaint about the book it is that the book is showing its age. I think it is probably time for a new edition that brings it up to date on computer / internet based training.
