A poetry collection is often a compilation of several poems by one poet to be published in a single volume or chapbook. A collection can include any number of poems, ranging from a few to several hundred poems. Typically the poems included in single volume of poetry, or a cycle of poems, are linked by their style or thematic material. Most poets publish several volumes of poetry through the course their life while other poets publish one. The notion of a "collection" differs in definition from v
