...

Update: In 2013, Alice Munro was awarded the Nobel Prize in Literature for her short stories. This story in particular does not seem to be cited as being among those that resulted in her selection for the prize, but I do find that many of the news stories announcing it were themselves entitled "Too Much Happiness".

Happiness Alice

a 2009 collection of short stories by Canadian Nobel Prize-winning author Alice Munro. Its titular story is based on the life of pioneering Russian novelist and mathematician Sofia Kovalevskaya, who excelled in these male-dominated fields due to a combination of feminist values, curiosity, and strong will.
