Toward a New Interior by Lois Weintal - Goodreads
"If you are looking for good books on interior design theory, the pickings are quite slim. Lois Weintal's massive 648-page reader redresses this with a carefully curated collection of 48 essays, with texts by Wim Wenders, Le Corbusier, Beatriz Colomina, and (my favorite) Juhani Pallasmaa.

Toward a New Interior : Lois Weintal : 9781616890308
Professor Lois Weintal envisions a future where interior design is treated with parity to architecture and industrial design, a future with a new interior. A reader for architects and interior designers, Weintal has carefully curated a collection of forty-eight essays that will form the foundation of interior design theory and shape future interior space.

Surface Gestures, Lois Weintal | The Design School
These elements of the interior are not only acknowledged, but fully explored for their imaginative potentials. This book has very directly energized the discussion and the making in our studio. This book would be inspiring for any furniture designer, product designer, interior designer, architect or fine artist whose work questions human perceptions of space and the built environment.
