Futures Trading For Dummies. Many people are attracted to futures trading due to the stories of some people getting rich pretty quickly in these markets. In the age of Bitcoin, and new all time highs in the stock market, more people may be paying attention to these markets.

Futures-Trading-Strategies-(Trading-Futures-for-Dummies)

A futures contract is a security, similar in concept to a stock or a bond while being significantly different. Whereas a stock gives you equity and a bond makes you a debt holder, a futures contract is a legally binding agreement that sets the conditions for the delivery of commodities or financial instruments at a specific time in the future.
